Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.WARNING: You May Have Already Been Lied To. Bestselling author Mick Macro breaks through the lies that you have been influenced to believe in his book Do What You Love, Even When, and shows you why you should never play down to detrimental levels of others. If you've been struggling to find what you want to do in life, or know what you want but are having trouble making it happen for any reason at all, this book will get you motivated to get going again. And besides motivation, you will learn about everything to watch out for including the people who take you off your path. Discover: - What to do when you have no experience, no skills, and no knowledge. - How you can instantly start doing what you love with no money needed at the start. - Why it is important to believe in yourself, and how it can influence others to believe. - How to overcome distractions and naysayers, roadblocks and enforcers, and more. Yes, people ACTUALLY tell us to NOT do what we love! Look around, it seems like almost everyone is trying to influence you to stop doing what you love. They will tell you that following your passion is bad advice, that the money won't come as fast, or that it is too difficult, or that it takes up too much time in your life, or you should be happy with a consistent paycheck at a job. These are just a few of the excuses they give you, and that's all they are - excuses. Will you follow your own dreams, or be a sheep to someone else...
